Minutes of Meeting

Board of Studies Meeting of Electrical & Electronics Department was held on 04/05/2024 at 11:30 AM through online/offline mode. The Chairman welcomed all the honorable members to the meeting.

The agenda of meeting was:

- To finalize scheme and syllabus of 3rd and 4th semester 2023 scheme.

The scheme of the syllabus was discussed and following suggestions were given by the members.

- 1) Dr. Nagabushan Patil, suggested that power generation and economics in 3rd sem and transmission and distribution in 4th sem need to be removed and can be added in 5th sem by combining both the courses named generation, transmission and distribution.
- 2) Dr. Ramesh L. Chakrasali pointed suggested to have a thorough check on credit distribution in scheme table and content of the course.
- 3) Dr. Vinoda S., appreciated the scheme and suggested the correction hand written by her and the same is incorporated.
- 4) Mr. Gaffur highlighted to add courses like machine learning and artificial intelligence in second year, where Dr. Kumar Swamy V., replied, the suggestion is accepted and will be added in the third year of B.Tech. program.
- 5) Mr. Mahaling Swamy, suggested to have digital electronics as integrated course.
- 6) Dr. B. S. Khened suggested to remove mini project as it will not be considered as PCC (Professional Core Course) which instead told to add electrical machines-1 as PCC and machines laboratory-1 as PCCL (Professional Core Course Laboratory).
- 7) Dr. Vinoda S., suggested to add electromagnetic field theory in fourth sem.
- 8) Both Dr. Vinoda S and Dr. Nagabushan Patil highlighted the suggestion on the hard copy of the draft given during the meeting.
- 9) Dr. Nagabushan Patil suggested to refer a book authored by R. A. BARAPATE on the title Electromagnetic Field theory.
- 10) Dr. Kumar Swamy V., informed that all the suggestions made by the members will be incorporated into the final document and will be sent for approval accordingly.
- 11) The meeting ended with vote of thanks by the chairman.
