

Ref.No.KU/2024-25/Reg.Off (Eval)/Notification/126

Date: 17/03/2025

## TENTATIVE TIME TABLE FOR PH.D COURSEWORK EXAMINATION-JUNE 2025

| SL No | Date       | Time               | Course Code                                             | Course Name                                                                                                                                                             |
|-------|------------|--------------------|---------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.    | 07.06.2025 | 2:00 PM to 5:00 PM | 24REM01                                                 | Research Methodology                                                                                                                                                    |
| 2.    | 10.06.2025 | 2:00 PM to 5:00 PM | 24PCS02/24PCS03/<br>24PCS04                             | Principles of Data Science and Visualization/Artificial Intelligence/Advanced Design and Analysis of Algorithms                                                         |
| 3.    | 12.06.2025 | 2:00 PM to 5:00 PM | 24PCS05/24PCS06                                         | Distributed and Cloud Computing/Machine Learning                                                                                                                        |
|       |            |                    | 24PHY02                                                 | Solid State Physics                                                                                                                                                     |
|       |            |                    | 24CHE01                                                 | Nanomaterial and Synthesis                                                                                                                                              |
|       |            |                    | 24MAT01/24MAT02                                         | Advanced Fluid Dynamics/Graph Theory                                                                                                                                    |
| 4.    | 14.06.2025 | 2:00 PM to 5:00 PM | 24PCS07/24PCS08/<br>24PCS10/24PCS11/<br>24PCS12/24PCS13 | Advanced Computer Networks/Wireless Networks & Mobile Computing/Data Warehouse & Data Mining/Image Processing and Machine Vision/Pattern Recognition/Learning from Data |
|       |            |                    | 24PHY03                                                 | Materials Characterization Techniques                                                                                                                                   |
|       |            |                    | 24CHE02                                                 | Advanced Topics in Materials Science and Engineering                                                                                                                    |
|       |            |                    | 24MAT03/24MAT04                                         | Numerical Analysis / Linear Algebra and Probability                                                                                                                     |
| 5.    | 17.06.2025 | 2:00 PM to 5:00 PM | 24PCS15/24PCS16/<br>24PCS17                             | Internet of Things/Deep Learning/Natural Language/Processing                                                                                                            |
| 6.    | 19.06.2025 | 2:00 PM to 5:00 PM | 24PCS24                                                 | Generative AI                                                                                                                                                           |
|       |            |                    | 24PHY04/24PHY05                                         | Conducting Polymers & Composites/Nanoscience and Nanotechnology                                                                                                         |
|       |            |                    | 24CHE03                                                 | Polymers and Composites and their Modern Applications                                                                                                                   |
|       |            |                    | 24MAT05/24MAT06                                         | Linear Algebra/Partial Differential Equations and Transform Calculus                                                                                                    |

T.E.H.R.D. Trust®

ಕಿಷ್ಕಿಂಧ ವಿಶ್ವವಿದ್ಯಾಲಯ

# KISHKINDA UNIVERSITY

Established under the Karnataka Act No. 20 of 2023 | Recognized by Govt. of Karnataka & UGC, New Delhi

Mount View Campus, Off 28 KMS, Ballari-Siruguppa Road, Hagaluru, Near Sindhigeri, 583120, Ballari Dist.Karnataka, India
