5.04 (a)	To seek approval for enhancement in increase intake and introduction of new programs for the academic year 2025-26
Deliberations	The Vice Chancellor stated that the university during its first year of journey created positive impact among the students in terms of teaching and skill enhancements. Circuit branches like E&CE, EEE and CSE have been receiving applications for admissions. Therefore it is proposed to create more opportunities for stakeholders by increasing the intake and also introduce new programmes to be offered from 2025-26. Further Vice Chancellor mentioned that the university is ready with 46 new class rooms, 13 labs, and all other facilities in the new campus. There will not be any difficulty in the infrastructure for the new proposal. We shall recruit additional faculty required to run the programmes. The Vice Chancellor requested BoG to approve the proposal.
